Dear Participant:

The Arc of South Florida is excited to introduce Job-A-Palooza.

This fun-filled speed-jobbing experience for participants ages 14-21 with disabilities will be held **Saturday, March 7th, 2020** at the **Roberto Alonso Community Center in Miami Lakes**. Peer mentors will be assisting participants with disabilities learn their job task and cheer them on.

As a local business we are requesting your participation with a job skills station. Examples of different skills are setting up a table, shredding paper, collating paper, and hanging items on rack or other simple job tasks. We can also help you to design a task. You will then help judge the students and their peer mentors on the speed and quality of their performance. Participating companies will be featured in our promotions, media alerts and social media of the event.

Attached is further information on the event and a participation form. Do hope you will join us and contribute to the success of the event. Please feel free to contact me with any questions. I can be reached at 305-804-4440 or LPacun@aol.com.

With gratitude,
